

K-LOVE serves me as a resident of my local community by providing a radio station with a positive and encouraging message. With K-LOVE I do not have to worry about any inappropriate or suggestive content. K-LOVE is a safe radio station that is appropriate for all ears.

The consideration of giving LPFM priority over current FM translator service is of great concern to me. If K-LOVE were to be replaced by an LPFM broadcaster providing other programming, my community would be greatly affected. K-LOVE positively impacts my community by providing people with a message of hope and love. The thought of K-LOVE, a family-friendly station, being replaced by an LPFM with other programming greatly worries me. K-LOVE's positive and encouraging message is a great service to my community and to the hundreds of thousands of other K-LOVE listeners.

K-LOVE's service is in the public interest and it would be a mistake to give LPFM priority over the current FM translator service that broadcasts K-LOVE.
